PHOENIXVILLE AREA HIGH SCHOOL

PHOENIXVILLE AREA HIGH SCHOOL

A Rigorous and Diverse College Preparatory Curriculum

- Graduation Rates—an average of 88 % of our graduates pursue higher level learning opportunities, including 4 year college/university and 1-2 year colleges (*GED scores are not included in graduation rates as per Pennsylvania Department of Education guidelines*).
- Honors and Advanced Placement Courses—We offer 50 Honors Courses and 27 different Advanced Placement Courses at PAHS.
- Dual-enrollment Courses—Partnership with Delaware County Community College provides opportunities for students to take more than 22 Dual Enrollment courses while attending PAHS.
- Virtual Academy—PASD has gone virtual! Students who were previously enrolled in other cyber schools now can choose to enroll in our Virtual Academy, and have the benefit of a PASD education, including a rigorous curriculum, and the ability to earn a PAHS diploma

High Achieving Students

- The Washington Post ranked PAHS in the Top 1% of all schools in Pennsylvania on its list of Most Challenging High Schools for 2015, 2016, and 2017
- Advanced Placement Testing: Forty-nine percent of the enrolled students in PAHS took at least one AP course in the 2016-2017 school year. 91.7 % of those students sat for the test at the end of the year, with 72.7% of those students getting a 3 or higher on those tests (average score was 3.29). Two hundred and six (206) individual students were recognized as an AP Scholar, AP Scholar with Honor, AP scholar with Distinction, or National AP Scholar.
