

PHOENIXVILLE AREA HIGH SCHOOL

Career Exploration/Graduation Project

Dear Students and Parents in the Class of 2020,

Prior to the end of the school year, we shared with you that the graduation project has been revised starting with the Class of 2021. The revised graduation project will now be a career-based project in order to align with new state standards, which will focus on career exploration as it aligns with Pennsylvania's Future Readiness Index.

In order for a student to fulfill our graduation project, which is now being referred to as the Career Exploration Project, students will:

- Select an employer and contact them directly to request to participate in a ½ day job shadowing experience
- Visit that place of employment for a minimum of 3.5 hours
- Conduct an employer interview/ job shadow in order to complete the career information chart (on the back of this page)
 - Students can complete their job shadowing experience anytime from now until March 8th
- Students will present their career exploration experience to their peers and designated staff as it will allow students to learn information about other careers/jobs
 - Presentations will take place on March 19th

If you have any specific questions, please contact Mr. Perecko or your counselor.

Thank you,
PAHS Administration
