Mayor, Borough of Phoenixville 1998-Present Day

Proud Father of three sons: Charlie, Loi and Canh

Since 1963 Leo Scoda has spent his life teaching high school students, both in the classroom and on the tennis court. In spite of his legendary coaching accomplishments, he is a man with whom records are secondary to developing Phoenixville High School student athletes into men and reinforcing the importance of giving back to ones' community.

Leo comes from a close knit family and over the years, Leo adopted three sons, raised them as his own and is a loving and proud father and grandfather.

As Mayor of Phoenixville, Coach is truly the People's Choice, as he continues to give back to his community and leads by example with his community service.

So when it comes to Phoenixville and our community over the past 45 years, a proud few stand as selfless leaders who are truly committed to our community's success. Coach has touched the lives of thousands within the Phoenixville Community and on behalf of Phoenixville, we say:

“God Bless Phoenixville and God Bless Leo J. Scoda”.
